

Product Specification: Northern Quarries 10mm Crushed Rock

PRODUCT CODE: 0649

SOURCE ROCK TYPE: Basalt

CUSTOMER: Standard Product

REFERENCE: Nil

Relevant Tests Carried Out On Source Rock				
Test	Method	Frequency	Requirements	Reference
Nil	N/A	N/A	N/A	N/A

Tests Carried Out For Product Quality Control Purposes				
Sampling Method: AS1141.3.1				
Test	Method	Frequency	Requirements	Reference
Unit Mass Density	AS1141.4	On initial introduction of product	N/A - For reference purposes only	N/A
Maximum Dry Density / Optimum Moisture Content	AS1289.5.2	As per customer requirements	N/A - For reference purposes only	N/A
Plastic Index (PI)	AS1289.3.3.1	As per customer requirements	N/A - For reference purposes only	N/A
Liquid Limit (as part of PI test)	AS1289.3.3.1	As per customer requirements	N/A - For reference purposes only	N/A
Particle size distribution (Grading)	AS1141.11 (washed)	As per customer requirements	As per customer requirements	N/A
